From the desk of the President

To all members of the National Dance Teachers Association,  
The year 2020 has certainly been an interesting year. With the pandemic, the national elections, and the economic downfall, we're each facing all kinds of challenges in our lives and businesses. I hope that you're doing okay and staying safe and sane throughout. Let's hope that 2021 is a better year for all.

At our last meeting, we accepted nominations for officers and board members for the election coming up later this year. Ballots were sent out in November and counted December 22. Our newly re-elected officers and board members are as follows:

President – Herb Vazquez  
Vice President – Lee Fox  
Secretary – Jody Dancer  
Treasurer – Millie Ledoux  
Additional Board members – Susan Silva, Howard Marlow, & Jean Claude Babiloni

The current officers and board decided that because of the financial situations that we all have found ourselves in, we would like to extend an optional 50% discount on dues for 2021. When you go into the web site to renew you'll see four buttons for renewal. Two of them show the discounted amount for the individuals and couples while the other two show the regular dues amount for both. It's your choice which one you choose to use. If you have any questions about your membership, feel free to contact us.

We thank you for your renewals and hope that you continue to remain active with NDTA. Since we had to cancel two of our meetings and workshops in 2020 we're happy to add a few videos of past workshops (mostly of classes that I taught last year) on the web site in the video galleries. Check them out.

I'm looking forward to the end of the pandemic and to resuming normal activities in the future. I hope to see more of you out and about soon. Meanwhile have a Happy Holiday season and a Happy and more prosperous New Year.

Lee Fox  
President/ NDTA
