Letter from the President

The last couple of years have been tough. It has been difficult to do what we love to do in the dance business, whether amateur or professional, including us at the National Dance Teachers Association. I would like to thank you all for your patience and your support. I especially appreciate the Officers and Board Members for their patience in doing their due diligence throughout the pandemic. Hopefully, 2022 will find us healthy and with the ability to come together and safely share dancing with each other.

I look forward to seeing all our loyal associate members able to return to the seminars that we offer three times each year. We are eager for the seminars to be as they were prior to the pandemic. It is amazing to learn from top-of-the-line dance professionals as well as meeting new people and seeing old friends.

Don't wait – renew your membership now and get ready to dance!

Sincerely,

Herb Vazquez
President
